Patents 1 - 10 on event simulation "text editor". (0.03 seconds)

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Synchronous parallel emulation and discrete event simulation system with ...

US Pat. 5794005 - Filed Dec 12, 1994 - The United States of America as represented by the Administrator of the National Aeronautics and Space Administration

To begin this text editor that saves only the keystrokes (ie, changes to the discussion, ... The simulation can be rewound An event is created by a message. ...

Synchronous parallel system for emulation and discrete event simulation

US Pat. 6324495 - Filed Jun 9, 1998 - The United States of America as represented by the Administrator of the National Aeronautics and Space Administration

This is like hitting Creating an Event the undo button in a text editor. ...
 event simulations can be managing the event list, simulation object) ...

Simulation using compiled function description language

US Pat. 5437037 - Filed Jun 7, 1993 - Mega Chips Corporation

Based on this com- 5 is an event, which is a unit of simulation process. ...
 In the P^A. simulation structure as described above. If a text editor is ...

Computer modelling system and method for specifying the behavior of ...

US Pat. 5485600 - Filed Nov 9, 1992 - Virtual Prototypes, Inc.

ATNs or FSMs can be programmed with a text editor, by 20 completing entries ...
 for execution on a target platform running the simulation (ie, workstation, ...

High-speed, parallel, processor architecture for front-end electronics ...

US Pat. 5937202 - Filed Feb 15, 1996 - 3-D Computing, Inc.

5.4 The of SD-Flow Development Tools 5.4.1 Simulation of a system on ...
 These files can be created by any text editor or spreadsheet which can save the ...

Artificial intelligence software shell for plant operation simulation

US Pat. 5412756 - Filed Dec 22, 1992 - Mitsubishi Denki Kabushiki Kaisha

The event detector can then scan the data to board Structure Description File
 ... whether from sensors or from knowl- text editor, the shell does not scan ...

Component-based analog and mixed-signal simulation model development ...

US Pat. 6236956 - Filed May 4, 1999 - Avant! Corporation

The data structures are persistent in the event that a user decides to save a
 ... it with a text editor, much like a programmer edits a computer program. ...

[APPLICATION] Simulation apparatus and method for storing operation information

US Pat. App 10/692,807 - Filed Oct 27, 2003 - FUJITSU TEN LIMITED

5 is a table showing the data structure of the event data, ... The contents edited
 by the text editor are reflected on the playback of setting operation ...

Component-based analog and mixed-signal simulation model development

US Pat. 5963724 - Filed Feb 16, 1996 - Analogy, Inc.
